

FELLOWSHIP Worksheet - Four Cornered Room - "Come And See"

- 1. Rodney Stark conversions:** Relationships are essential to conversions. (Connectional = networking.)
- 2. Robert Putnam, *Bowling Alone*:** Participating in a small group that meets weekly will decrease your chances of dying in the next year by half. It has the equivalent benefit to your health of quitting smoking.
- 3. Josh Hunt:** Consider giving "Friday Nights To Jesus"

Recreation creates relationships. Worship alone creates a weak bond.

There is a reason why Jesus commands us to *love one another* (John 13:34-35) and to *love your neighbor as yourself* (Matthew 22:39).
